Dear Supervisors:

**ANNUAL GARBAGE COLLECTION AND DISPOSAL SERVICE
FEE REPORT FISCAL YEAR 2008-09
ATHENS-WOODCREST-OLIVITA, BELVEDERE, FIRESTONE,
MESA HEIGHTS, AND WALNUT PARK GARBAGE DISPOSAL DISTRICTS
(SUPERVISORIAL DISTRICTS 1 AND 2)
(3 VOTES AT HEARING)**

SUBJECT

This action is to approve a report to provide for the continued collection of the existing garbage collection and disposal service fees at the current fee rates on the tax roll for Fiscal Year 2008-09.

IT IS RECOMMENDED THAT YOUR BOARD AFTER THE PUBLIC HEARING:

1. Find that the adoption of the Annual Garbage Collection and Disposal Service Fee Report, Fiscal Year 2008-09, for the Athens-Woodcrest-Olivita, Belvedere, Firestone, Mesa Heights, and Walnut Park Garbage Disposal Districts is for the purpose of meeting operating expenses and, therefore, is exempt from the California Environmental Quality Act.
2. Approve the report if there is no majority protest in any District. In the event of a majority protest in any District, approve the report for all Districts in which there is no majority protest, and return the protested matter to Public Works.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Adoption of the attached report provides that the existing Garbage Collection and Disposal Service Fees for each of the Districts will continue to be collected on the tax roll in Fiscal Year 2008-09. Revenues generated are used to provide refuse, recyclable material, and green waste collection services in each District.

It is essential that the operation of refuse collection and disposal services within the Districts be continued without interruption and at a reasonable cost to protect the environment and health and safety of the Districts' residents and the general public.

The collection of the service fee on the tax roll remains the most cost-effective mechanism in the billing and accounting of these fees.

Implementation of Strategic Plan Goals

This Countywide Strategic Plan directs that we provide Service Excellence (Goal 1), Fiscal Responsibility (Goal 4), and Community Services (Goal 6) by providing County residents with responsive, high-quality waste collection, recycling and disposal services, and the funding necessary to administer the Districts.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. Adoption of the attached report will provide for the continued collection of the existing Garbage Collection and Disposal Service Fees for each of the Districts on the tax roll in Fiscal Year 2008-09.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In September 1980 your Board adopted several ordinances establishing service fees to supplement property taxes to provide for refuse collection and disposal services in these Districts.

Currently, each parcel of real property within each District is assessed an annual service fee based on the number of refuse units. The number of refuse units assigned to each parcel of real property is based on the current property use classification derived from the County Assessor's tax roll. A parcel containing a single-family residential unit is assigned one refuse unit. The number of refuse units per parcel varies from one-half unit for a vacant parcel to 18 units for a community shopping center.

The current annual service fees per refuse unit are: \$177 (Athens-Woodcrest-Olivita), \$192 (Belvedere), \$180 (Firestone), \$225 (Mesa Heights), and \$215 (Walnut Park). The current annual refuse unit fee for each District will remain the same for Fiscal Year 2008-09.

Pursuant to Section 5473 of the California Health and Safety Code, a report entitled Annual Garbage Collection and Disposal Service Fee Report, Fiscal Year 2008-09, for the Athens-Woodcrest-Olivita, Belvedere, Firestone, Mesa Heights, and Walnut Park Garbage Disposal Districts (Attachment 1) has been prepared and filed with the Executive Officer. Section 5473 also provides that any adopted ordinance authorizing the collection of a service fee on the tax roll shall remain in effect until repealed or until changes have been made in the rates. The report contains a description of each parcel receiving refuse collection services and the amount of the fee for each parcel for the year, computed in conformity with the fees prescribed by ordinance.

Section 5473.1 of the California Health and Safety Code requires that notice of the filing of this report and of a time and place of hearing thereon (Attachment 2) be published once a week for two successive weeks in a newspaper of general circulation pursuant to Section 6066 of the Government Code.

Your Board will hear and consider all protests to the report. If the Board finds that protests to the report are made by the owners of a majority of parcels described in the report, the report shall not be adopted for that District and the fees for that District shall be collected separately from the tax roll.

ENVIRONMENTAL DOCUMENTATION

Adoption of the attached report to provide for the collection of the existing garbage collection and disposal service fees for the Districts on the tax roll is for the purpose of meeting operating expenses and, therefore, is exempt from the California Environmental Quality Act pursuant to Section 21080(b)8 of the Public Resources Code.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The collection of the service fees on the tax roll will allow each District to continue solid waste collection and management services to the residential, commercial, and industrial customers within the Districts.

INTRODUCTION

The California Health and Safety Code, Section 5470, et seq., requires that if existing garbage collection and disposal service fees are to be continued and collected on the tax roll, a report shall be prepared each year and filed with the Executive Officer of the Board of Supervisors.

The report shall contain a description of each parcel receiving such services and the amount of the fee for each parcel for the year. The Executive Officer shall file a copy of the report with the Auditor-Controller on or before August 10 of each year, with a statement that the report has been finally adopted by the Board of Supervisors, and the Auditor-Controller shall enter the amounts of the fees against the respective parcels of land as they appear on the current assessment roll. This report has been prepared to fulfill these requirements.

The Walnut Park Garbage Disposal District encompasses only County unincorporated territory as shown in Exhibit A-5.

It is essential that operation of the refuse collection and disposal services within the Athens-Woodcrest-Olivita, Belvedere, Firestone, Mesa Heights, and Walnut Park Garbage Disposal Districts (Districts) be continued without interruption to protect the health and safety of each District's residents, businesses, and the general public. The necessary funds must be available to pay the cost of refuse, recyclable material, and green waste collection services, and administration of each District's contract.

ANNUAL GARBAGE COLLECTION AND DISPOSAL SERVICE FEES

In September 1980 the County of Los Angeles Board of Supervisors adopted ordinances establishing service fees to supplement property taxes for refuse, recyclable material, and green waste collection and disposal services in the Districts. The collection of the service fees on the tax roll is the most cost-effective mechanism for the billing and accounting of the fees.

The existing service fees for the Districts are established in the Los Angeles County Code, Chapter 20.90, Parts 1, 3, 7, 11, and 13, respectively (Exhibits B-1 through B-5). The annual service fee levied upon each parcel of real property within each District is computed by multiplying the refuse unit fee by the number of refuse units assigned to the property use classification of the parcel, as shown in Table 1 of Sections 20.90.060, 20.90.150, 20.90.350, 20.90.550, and 20.90.650 of the County Code, respectively, for the Districts listed. The number of refuse units per parcel varies from one-half unit for a

vacant parcel to 18 units for a community shopping center. A parcel containing a single-family residential unit has been assigned one refuse unit.

The current annual refuse unit fees for each District are as follows:

<u>District</u>	<u>Annual Refuse County Code Section</u>	<u>Annual Refuse Unit Fees (\$)</u>
Athens-Woodcrest-Olivita	20.90.040	\$177.00
Belvedere	20.90.130	\$192.00
Firestone	20.90.330	\$180.00
Mesa Heights	20.90.530	\$225.00
Walnut Park	20.90.630	\$215.00

The fees will remain the same for Fiscal Year 2008-09.

As provided by Chapter 20.90 of the County Code, all single-family residences within each District are assigned one refuse unit and will be assessed in the amounts indicated above. Multifamily residential and certain commercial and industrial properties are charged higher amounts based on their property use classification.

IDENTIFICATION OF PARCELS TO BE CHARGED

Exhibits C-1 through C-5, list the tax rate areas for the respective Districts for Fiscal Year 2008-09. The parcels of real property within the tax rate areas are further described in maps on file in the office of the County Assessor. These parcels of real property will be charged the appropriate service fee, computed as described above.

Maps showing the boundaries of each District are included in Exhibits A-1 through A-5.

20.90.010 Title for citation.

The ordinance codified in Part 1 of Chapter 20.90 shall be known as the "garbage collection and disposal service fee ordinance" of the Athens-Woodcrest-Olivita Garbage Disposal District and may be cited as such. (Ord. 12217 Art. 1 Section 101, 1980.)

20.90.020 Purpose of provisions--Basis for service fee.

The District is responsible for providing garbage collection and disposal within its boundaries. The amount of money from ad valorem taxes available to the District is inadequate to fund the cost of service. The District's collection and disposal service must be continued without interruption in order to protect the public health and safety of the residents therein and the general public. It is, therefore, necessary to impose a garbage collection and disposal service fee upon the properties within the District. The voters of the District have approved imposition of the fee. In order to avoid the substantial costs of establishing a billing system for the collection of fees, the board of supervisors finds that the fees should be collected on the tax roll. Due to the legal deadlines for such tax collection, it is necessary for the ordinance codified in this part to be effective by September 25, 1980. Since the District's services are required for the collection and disposal of garbage, the board of supervisors finds that the most equitable basis upon which to base the service fee will be according to the current property use classification derived from the assessor's tax rolls. (Ord. 12217 Art. 1 Section 102, 1980.)

20.90.030 Definitions.

- A. "District" means the Athens-Woodcrest-Olivita Garbage Disposal District.
- B. "Board" means the board of supervisors of the county of Los Angeles.
- C. "Parcel of real property" means a parcel of real property as shown on the local secured tax rolls of the county of Los Angeles. (Ord. 12217 Art. 2 Section 201, 202, 203, 1980.)

20.90.040 Service fees.

A. An annual garbage collection and disposal service fee is levied upon parcels of real property in the District for the services provided by the District.

B. The amount of the fee for each parcel shall be computed by multiplying the refuse unit fee by the number of refuse units assigned to the property use classification of the parcel as shown in Table 1, codified in Section 20.90.060. The refuse unit fee is \$177.00 per unit, beginning with 2006-07 fiscal year.

C. This fee shall be in addition to any ad valorem taxes levied on such property. The current property use classification and the refuse units assigned to each property use are as set forth in Table 1. (Ord. 2006-0037 Section 1, 2006; Ord. 94-0044 Section 1, 1994; Ord. 91-0084 Section 1, 1991; Ord. 90-0092 Section 1, 1990; Ord. 89-0081 Section 1, 1989; Ord. 88-0104 Section 1, 1988; Ord. 85-0117U Section 1, 1985; Ord. 84-0103 Section 1, 1984; Ord. 83-0148U Section 1, 1983; Ord. 82-0181 Section 1, 1982; Ord. 12397 Section 1, 1981; Ord. 12217 Art. 3 Section 301, 1980.)

20.90.050 Collection of charges.

The garbage collection and disposal service fee shall be collected for each fiscal year on the tax roll at the same time and in the same manner as the general taxes of the county of Los Angeles. (Ord. 84-0103 Section 2, 1984; Ord. 83-0148U Section 2, 1983; Ord. 82-0181 Section 2, 1982; Ord. 12397 Section 2 (part), 1981; Ord. 12217 Art. 4 Section 401, 1980.)

**MESA HEIGHTS
GARBAGE DISPOSAL DISTRICT**

Part 11

MESA HEIGHTS GARBAGE DISPOSAL DISTRICT

20.90.500 Title for citation.

The ordinance codified in Part 11 of Chapter 20.90 shall be known as the "garbage collection and disposal service fee ordinance" of the Mesa Heights Garbage Disposal District, and may be cited as such. (Ord. 12222 Art. 1 Section 101, 1980.)

20.90.510 Purpose of provisions--Basis for service fee.

The District is responsible for providing garbage collection and disposal within its boundaries. The amount of money from ad valorem taxes available to the District is inadequate to fund the cost of service. The District's collection and disposal service must be continued without interruption in order to protect the public health and safety of the residents therein and the general public. It is, therefore, necessary to impose a garbage collection and disposal service fee upon the properties within the District. The voters of the District have approved imposition of the fee. In order to avoid the substantial costs of establishing a billing system for the collection of fees, the board of supervisors finds that the fees should be collected on the tax roll. Due to the legal deadlines for such tax collection, it is necessary for the ordinance codified in this part to be effective by September 25, 1980. Since the District's services are required for the collection and disposal of garbage, the board of supervisors finds that the most equitable basis upon which to base the service fee will be according to the current property use classification derived from the assessor's tax rolls. (Ord. 12222 Art. 1 Section 102, 1980.)

20.90.520 Definitions.

- A. "District" means the Mesa Heights Garbage Disposal District.
- B. "Board" means the board of supervisors of the county of Los Angeles.
- C. "Parcel of real property" means a parcel of real property as shown on the local secured tax rolls of the county of Los Angeles. (Ord. 12222 Art. 2 Section 201, 202, 203, 1980.)

20.90.530 Service fees.

- A. An annual garbage collection and disposal service fee is levied upon parcels of real property in the District for the services provided by the District.
- B. The amount of the fee for each parcel shall be computed by multiplying the refuse unit fee by the number of refuse units assigned to the property use classification of the parcel as shown in Table 1, codified in Section 20.90.550. The refuse unit fee is \$225.00 per unit, beginning with 2006-07 fiscal year.
- C. This fee shall be in addition to any ad valorem taxes levied on such property. The current property use classification and the refuse units assigned to each property use are as set forth in Table 1. (Ord. 2006-0048 Section 1, 2006; Ord. 95-0025, 1995; Ord. 94-0034 Section 1, 1994; Ord. 91-0084 Section 3, 1991; Ord. 90-0092 Section 4, 1990; Ord. 89-0081 Section 4, 1989; Ord. 88-0104 Section 3, 1988; Ord. 85-0117U Section 5,

**NOTICE OF HEARING
ANNUAL GARBAGE COLLECTION AND DISPOSAL SERVICE FEE REPORT
FISCAL YEAR 2008-09
ATHENS-WOODCREST-OLIVITA, BELVEDERE, FIRESTONE,
MESA HEIGHTS, AND WALNUT PARK GARBAGE DISPOSAL DISTRICTS**

Notice is hereby given that a report prepared by the Director of Public Works has been filed with the Executive Officer of the County of Los Angeles concerning the annual garbage collection and disposal service fee for refuse, recyclable material, and green waste collection services to properties within the Athens-Woodcrest-Olivita, Belvedere, Firestone, Mesa Heights, and Walnut Park Garbage Disposal Districts. The report contains a description of each parcel receiving these collection services and the amount of the service fee for each parcel, which will continue to be collected in the same amount in Fiscal Year 2008-09. The service fee is collected on the tax roll.

Currently, each parcel of real property within the Districts is assessed an annual service fee based on the number of refuse units assigned to that parcel. The number of refuse units is a function of the property use classification of the parcel and varies from one-half of one unit for a vacant lot and one unit for a single-family residence to 18 units for a community shopping center. The current annual service fees per refuse unit are: \$177 (Athens-Woodcrest-Olivita), \$192 (Belvedere), \$180 (Firestone), \$225 (Mesa Heights), and \$215 (Walnut Park). These fees will remain unchanged for Fiscal Year 2008-09. Revenues generated are used to provide refuse, recyclable material, and green waste collection services.

Tuesday, June 24, 2008, at 1 p.m., in Room 381 of the Kenneth Hahn Hall of Administration, 500 West Temple Street, Los Angeles, California 90012, is the time and place which has been fixed by the Board of Supervisors to consider all objections or protests to the report. Any person wishing to be heard on this matter may appear before the Board of Supervisors and show cause why the report should not be adopted.

AVISO DE AUDIENCIA PÚBLICA
REPORTE ANUAL SOBRE LA CUOTA DE SERVICIO DE RECOLECCIÓN DE
BASURA PARA EL AÑO FISCAL 2008-09
DISTRITOS DE RECOLECCIÓN DE BASURA DE ATHENS-WOODCREST-OLIVITA,
BELVEDERE, FIRESTONE, MESA HEIGHTS, Y WALNUT PARK

Por este aviso se anuncia que un reporte preparado por el Director de Obras Públicas se ha registrado con el Escribano del Condado de Los Angeles tocante las Cuotas Anuales de Servicio de recolección de basura, reciclaje y desechos verdes de los Distritos de Basura de Athens-Woodcrest-Olivita, Firestone, Lennox, Malibu, Mesa Heights, y Walnut Park. El Reporte contiene una descripción de cada lote que recibe estos servicios de recolección y la cantidad de la cuota de servicio por cada lote, la cual se continuará colectando en el Año Fiscal de 2008-09. La cuota de servicio se colecta en los impuestos de propiedad.

Actualmente, cada lote dentro de los Distritos de Basura es sujeto a una Cuota Anual de Servicio basada en el número de "unidades de desechos" asignadas a ese lote. El número de unidades de desechos es una de las funciones del código de propiedad y varía de la mitad (1/2) de una unidad para un lote vacío y una (1) unidad para una residencia familiar, hasta 18 unidades por un centro comercial comunitario. Actualmente, la Cuota Anual de Servicio por "unidades de desechos" es \$177 (Athens-Woodcrest-Olivita), \$192 (Belvedere), \$180 (Firestone), \$225 (Mesa Heights), y \$215 (Walnut Park). Estas Cuotas permanecerán sin cambio para el Año Fiscal 2008-09. Ingresos generados son utilizados para proveer servicios de recolección de basura y reciclaje.

El martes, 24 de junio de 2008, a la 1 p.m., en el Cuarto 381 del Kenneth Hahn Hall of Administration, 500 West Temple Street, Los Angeles, California 90012, es la hora y lugar fijado por la Junta de Supervisores, donde se considerarán todas las objeciones y protestas sobre el reporte.
